BIOGRAPHY – PETER LITVIN

Peter has 20 years of experience in the financial services industry.

Most recently he was the Group CFO of Samena Capital, a principal investment group, managing and investing in multiple asset classes, including hedge funds and private equity in the SAMENA region. He established and managed the financial, risk, investor services / relations, compliance, operational and technology infrastructure at Samena Capital. He also established and incorporated the regulated offices in Hong Kong and Bahrain and more recently the Dubai office in the DIFC, obtaining a DFSA license. Peter was instrumental in the structuring and launch of a number of hedge funds and private equity partnerships, domiciled in Cayman, BVI and Luxembourg.

Peter previously spent over 14 years at Citigroup Alternative Investments (“CAI”). From 1999 to 2008 he was the CFO / COO & Managing Director of the CAI Division in London and New York, a business with over US\$100 billion of assets under management. He established and incorporated many of the funds and had responsibility for finance, risk, compliance and the operational infrastructure, including Head of Technology for CAI in Europe. From 1994-1999, he was Group Accountant of the CAI division and subsequently became a senior analyst on the fixed income desk.

During his career he has worked with and been a board member of both onshore and offshore funds and the General Partner of Limited Partnerships. He has a thorough knowledge and understanding of the corporate governance needs of these funds and Limited Partnerships, having worked with the leading regulators, such as the UK FCA, HK SFC, OCC in NY, the CBB in Bahrain and DFSA in Dubai. His product knowledge is extensive and covers the whole alternative investment spectrum, including Equities, Bonds, Derivatives, Real Estate, Hedge Funds, CDO's, CLO's, SIV's, RMBS and Private Equity partnerships.

He qualified as a Chartered Management accountant in 1995 and spends his spare time with his family and working with schools and local employers creating a career academy for the UAE and GCC.
